

# CLIENT REFERRAL FORM

## Smith Financial Service

### How do I get my taxes done for free?

We will refund your payment for your 2016 individual tax return when you refer two new clients to Smith Financial Service.

1. Print the two referral forms located below.
2. Sign your name on each of the referral forms and issue them to two of your friends.
3. Have your friends bring the forms to the office when they have their taxes prepared.
4. When both forms, with your signature are collected, they will be kept with your file in our office and a refund will be issued to you for payment of this year's tax return.
